## Expected Behavior:

- A student ID card is required for admission.
- All Lakeridge High School rules are in effect.
- Students who have turned in an approved Guest Pass Form are allowed to bring an outside guest and are responsible, as the host/hostess, to properly inform and clarify the student code to their guest. Form is below.
- Students who do not observe these rules may forfeit the privilege of future activities/events.

## Student Dress & Grooming Guidelines:

Responsibility for personal dress and grooming rests primarily with the student and their parents. The student should select clothing that is appropriate for the school environment and that does not disrupt or interfere with other student or staff. In addition, clothing or accessories should not create a health or safety issue for the student or others. Since students and families have varying opinions on what is appropriate for the school environment, the district administration has set standards for dress, grooming or appearance to clarify what we consider to be disruptive to the school environment (School Board Policy #5130). These guidelines include the following types of dress and accessories:

- Immodest clothing shall not be permitted to disrupt the school environment. This includes clothing that exposes one's undergarments or midriff such as sagging pants; sheer blouses; strapless, backless or low cut tops; sports bras; sleeveless undershirts; or short shorts (above mid-thigh). These examples are not meant to be inclusive but only to provide guidelines. Appropriate formal attire acceptable.
- Clothing, jewelry and accessories shall be free of writing, pictures or any other insignia that are vulgar, profane, or sexually suggestive or that advocate racial, ethnic, or religious prejudice or that promote the use or display of drugs or alcohol.
- Students may not wear clothing or accessories that signify or are recognized as indicating an affiliation with any gang or secret society as those terms are defined in board policy.
- Students participating in voluntary extra-curricular activities must conform to these standards. A coach or advisor may alter these standards to fit specific sports or activities with the approval of the principal.
- For unique or special curricular or co-curricular activities, the principal may alter or waive the standards.

Students whose appearance violates one of these standards will be asked to correct the situation by wearing a school t-shirt or returning home to change their clothes. The student may return to the dance as soon as they have changed to appropriate attire.
